Agenda & Discussions:

1. AWS testing report.
The homepage of our website can be opened online, the basic login and upload function can operate.
2. Poster requirements.
Our clients prefer a portrait poster than a landscape poster.
3. Project problems summary.
However, sometimes there some problem that make serval part display error on the homepage. Therefore, some sections still need to modify. More function may need to be increased, such as delete function
4. Week 10 Audit presentation3.
Our client suggests us to present as a creator perspective, entire the home page, transfer to the login page, login and upload creation documents, then return to the home page to see whether the creation is on the webpage.
